The DFG funded project **Seeing Antisemitism Through Law** aims to unpack how law confronts antisemitism in Europe and beyond. Led by Prof. Dr. Thilo Maruhn and Dr. Reut Paz, the research team embarks on a comparative analysis of law combatting antisemitism in Europe and beyond. In particular we aim to provide insights into the extent to which court rulings are (in-) adequate to address antisemitism in Germany, Poland, France and in the United Kingdom. It is in this context that we organize the Abraham Bar Menachem (ABM*) talks on various aspects of our research.
