

Information Meeting for

Model United Nations in New York

Tuesday, 27 June 2023, 18:00 – 20:00

in Room 24a/b, Licher Strasse 68

Are you interested in international politics and the United Nations?

Do you want to discuss current topics of global relevance and search for practical solutions with other students?

Then **Model United Nations** is perfect for you!

Model United Nations (MUN) is an international multi-day simulation of sessions of different United Nations committees held in English.

In **winter semester 2023/24**, the **Chair of Professor Maruhn** is preparing a new delegation from Giessen to participate in **National Model United Nations in New York City (NMUN)** in March/April 2024 with weekly, mandatory in-person colloquium meetings held in English.

The costs of participation in NMUN are expected to be around 500€ for each participant.

Students from all faculties who are interested in international politics and the United Nations are welcome to apply. Law students will be able to acquire a *Fremdsprachenschein* or *Schlüsselqualifikation* and the preparatory colloquium is also considered an *Wahlveranstaltung* for *Schwerpunktbereich 6* (International Law and European Law).

For participation in NMUN 2023 please send a letter of motivation and curriculum vitae **in English**, as well as the usual application documents (high school diploma, grade overview of your studies, previously acquired certificates) by July 31, 2023 to: ModelUN@recht.uni-giessen.de

You can find more information on our instagram (@giessen.mun), the Maruhn Chair's website and GiMUN website (giessenmun.com)! If you have any questions, don't hesitate to contact us!
