

Summer School (2018) – Environmental Economics

Timetables of both classes

Lecturer	Topic
Associate Professor Matthew McGinty, Ph.D. University of Wisconsin - Milwaukee	Environmental Economics
Dr. Hosnieh Mahoozi, Justus-Liebig-Universität Gießen	Climate Change Impacts in Developing Countries

The Summer School begins on 28 May 2018 and officially ends on 02 July 2018.

The class of **Matthew McGinty** will take place **twice a week** on Mondays and Tuesdays, respectively. His first class will take place on 28 May; the last session is on 2 July. The times for Matthew McGinty's class are as follows:

- Mondays: 18:00 – 20:00 in seminar room 45 (building 68),
- Tuesdays: 18:00 – 20:00 in seminar room 45 (building 68).

There will be one exception, where the class takes place at a different time than presented in this schedule. This exception will be mentioned by the lecturer on the first day of class.

Hosnieh Mahoozi will teach her class in the following two intense sessions:

- Friday, 15 June: 10:00 – 16:00 in seminar room 024 (downstairs, same floor as the cafeteria)
 - Friday, 22 June: 10:00 – 16:00 in seminar room 020 (10:00-12:00) and 002 (12:00-16:00)
-
