

Students for the Future of Security and Cooperation in Europe

Did you miss out on international student experiences over the last two years?
Are you looking for an opportunity to meet and work with other European students?
Are you interested in learning and talking about European politics in Germany's capital?

Then apply for the JLU-KAS-EHU Summer Term Student Exchange!

This exchange between Belarusian and German students of the JLU and EHU, in cooperation with the Konrad-Adenauer-Stiftung, will give you the chance to discuss what it means to be European in 2022. The first few sessions will give everyone the tools to understand each other and eventually prepare your the excursion to Berlin, where we will meet with politicians, NGO activists and experts in the field.
