Before arriving - Erasmus for studies

[Enlace a la versión en español](#)

In order to be an Erasmus student at UAM, there must be an agreement between your home university and UAM, otherwise you cannot nominate yourself. You should check in advance with your home university about the possibility of coming to UAM through the Erasmus programme and find out the procedure for applying for an Erasmus grant. Being an Erasmus student implies two things:

First : being nominated as an Erasmus student by your home university.

Second : being accepted as an Erasmus student by the host university (UAM).

How to apply for admission to UAM as an Erasmus student for 2018/2019

Deadlines:

- From 15th of May to 15th of June 2018, for first semester and full academic year students
- 16th June to 31st October 2018 for second semester students

A - Application Form (electronic application form)

This process comprises two steps:

1.Registration as user: you need to register as a UAM user to access online services
Click [here](#) for registering as a user, you will receive an email with your username and your password (please check your SPAM folder)

2.Application form: with the user name and password you were given when registering, you will log in the application form. Click [here](#) for completing the application form. Important: confirm with your home university the UAM faculty or school you have been selected for.
