

SEPA2010 – Desert Sun: Mine, Yours, Ours? Agenda

Monday, November 8th, 2010
(Moderation: Prof. Dr. Peter Winker)

12:30 Registration

13:30 Welcome Note

Prof. Dr. Joybrato Mukherjee, President of the Justus-Liebig-Universität, Giessen.

Prof. Dr. Frank Schüssler, SEPA Working Group, Giessen; Jade University of Applied Sciences, Oldenburg.

14:00 Key Note

Ludger Lorych, „Perspectives on a North South Solar Energy Cooperation”, GTZ, Advisor
Regional Center for Renewable Energy and Energy Efficiency, Cairo.

14:30 Session 1: Northern Perspectives – Current Status of Activities in Europe
(Chair: Prof. Dr. Andreas Dittmann)

Prof. Dr. Michael Düren, “SEPA and the DESERTEC Concept - Is Academic Research still needed?”, Justus-Liebig-Universität, Giessen.

Johan Lilliestam, “100% Renewable Electricity. A Roadmap to 2050 Europe and North Africa”, Potsdam Institute for Climate Impact Research, Potsdam.

Christian Stoffaës, “Paris Nairobi Initiative: A Program of Electrification of Sub-Saharan Africa with Renewable Energies”, Transgreen Foundation.

16:15 Coffee and Tea

16:30 Session 2: Southern Perspectives – Current Status of Activities in Africa
(Chair: Prof. Dr. Thilo Marauhn)

Prof. Dr. Aboubaker Chedikh Béyé, “Holistic and Systemic Approach for North South Cooperative Activities in Solar Equipment and Power Plants Development”, Université Cheikh Anta Diop de Dakar, Dakar.

Oussama Cherkaoui Jaouad, “Renewable Energies: Roadmap for Morocco”, Moroccan Renewable Energy Development Centre, Marrakesh.

Lameck Mwewa, “Policy and Regulatory Framework for Solar Energy Development in Namibia”, Polytechnic of Namibia, Windhoek.

18:15 Coffee and Tea

18:30 Evening Talk

(Moderation: Prof. Dr. Andreas Dittmann)

Prof. Dr. Joybrato Mukherjee, “Internationalization of Justus Liebig University Giessen”, President of the Justus-Liebig-Universität, Giessen.

Prof. Dr. Tjama Tjivikua, “Renewables in Scientific Cooperation with Namibia”, Rector of Polytechnic of Namibia, Windhoek.

SEPA2010 – Desert Sun: Mine, Yours, Ours? Agenda

Tuesday, November 9th, 2010

(Moderation: Prof. Dr. Frank Schüssler)

08:30 Session 3: Research Questions and Opportunities for Junior Scientists

(Chair: Prof. Dr. Peter Winker)

Katharina Niehoff, "SEPA Working Group and its Research Projects", Justus-Liebig-Universität, Giessen.

Kudakwashe Ndhelukula, "Renewable Energy Procurement Mechanism in the Regulatory Framework of Namibia", Polytechnic of Namibia, Windhoek.

Nadejda Komendantova, "Investment into Large-Scale Deployment of Renewable Energy Sources in North Africa: Opportunities for Manufacturing Development", International Institute for Applied Systems Analysis, Laxenburg.

10:30 Coffee and Tea

11:00 Panel: Solar Energy Partnership – A Pathway to a Win-Win Situation?

(Moderation: Prof. Dr. Claus Leggewie)

Prof. Dr. Fanuel Shechambo, Sebastian Kolowa University College, Tumaini University, Moshi.

Dr. Oliver Steinmetz, Desertec University Network, Luxembourg.

Prof. Dr. Thilo Marauhn, Justus-Liebig-Universität, Giessen.

Prof. Dr. Issakha Youm, Université Cheikh Anta Diop de Dakar, Dakar.

13:00 Final Remarks, SEPA Working Group
