Assessment of the trainee

in the practical internship - study course "Movement and Health"

Please send the assessment to the Institute of Sports Science (see address above). The assessment of the trainee serves as proof that the internship has been completed in your institution. It will not be used for grading in the "Internship" module and will not be handed over to the trainee.

An additional certificate for the trainee could be helpful for later applications, if this is handed over, please enclose a copy with the assessment.
