Declaration regarding the thesis

I hereby declare that I have written the thesis independently and have not used any aids other than those stated. The passages in the thesis that are taken from other works in terms of wording or meaning are labelled with details and sources. This also applies to drawings, sketches, pictorial representations and others like that.

Furthermore, I declare that the thesis has not yet been submitted as part of a state or other examination (e.g. as a master's, diploma or state examination thesis).

I agree that my thesis could be scanned by using anti-plagiarism software and so I also submit the final exam in digital form.
