As an international consultancy with over 30 years experience in the financial services industry, EY ifb provides best-in-class services for **finance, risk, regulatory** and **sustainable finance transformation** as well as **digitalization**.

EY ifb's **tailored financial service offerings** are based on a **deep understanding of the value chain** within finance and risk processes. Our offerings are complemented by a broad range of methodology, business, architecture, analytics and technical expertise, to ensure successful end-to-end transformation and post-go-live business operations.

“
The financial services sector is undergoing major changes. It is our purpose to help our customers in mastering this transformation.”

Your journey begins – Onboarding at EY ifb

Every quarter we are looking for new graduates to join the EY ifb experience. You can look forward to our New Joiner Training as part of our onboarding.

From the first day on, our experienced consultants will train you in different subject areas that we are advancing in our projects, including SAP, finance, banking, insurance.

Of course, our colleagues also may share their secrets with you, how to become a good consultant.

With these insights, your first project can start.

New Joiner Trainings - Basics

- ▶ Duration: 5 weeks
- ▶ Basic trainings for all graduates
- ▶ Trainings relevant for all industries
- ▶ 2 weeks onsite in cologne, 3 weeks remote

New Joiner Trainings - Focus

- ▶ Duration: 1 weeks
- ▶ Smaller groups of graduates
- ▶ Detailed trainings specified by industries
- ▶ Remote

New Joiner Trainings - Extended

- ▶ On demand
- ▶ Detailed trainings
- ▶ Target group specific
- ▶ Can be requested or assigned individually
- ▶ Remote and onsite

Your expertise needs a challenge? Welcome to EY ifb!

Onboarding

- ▶ After your onboarding day, our 6 week **New Joiner Training** starts. Together with other graduates, you will go through a variety of professional trainings, which are held by our consultants. You will learn and develop technical, economic and soft skills. As soon as the onboarding is over, you start your first project. At the given time there also may be **international projects**, that you can join.

Trainings

- ▶ One of our corporate values is **lifelong learning**. We offer you a wide range of training opportunities. In addition to internal learning and working groups, you can participate in different training courses, eLearning or blended learning sessions or face-to-face trainings.

Sabbaticals

- ▶ Do you have interests and dreams that you can only realize beyond your everyday professional life? Or does your life currently just need more flexibility? With a **sabbatical** we offer you the chance to be as flexible as possible without giving up the job you like.

Events

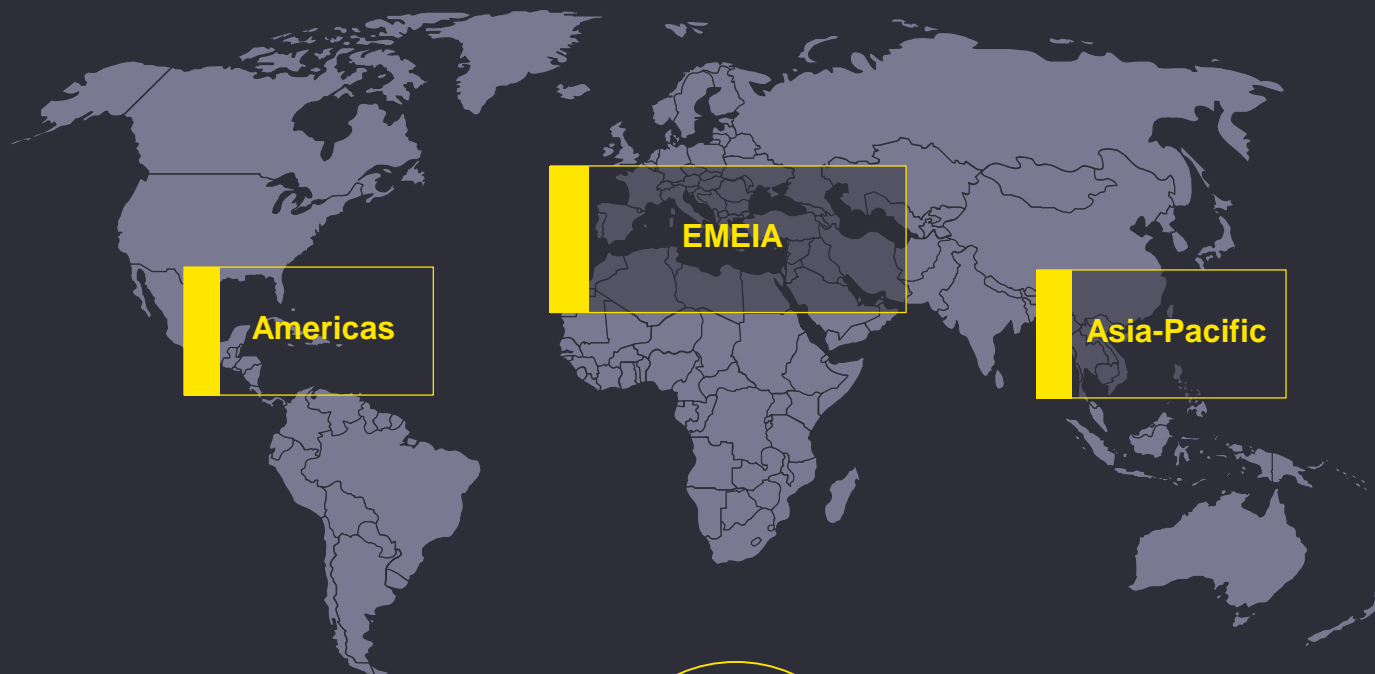

- ▶ Even though we mainly work on a decentralized basis in our projects, we set great value on interpersonal relationships. In order to stay in touch with many different colleagues, even outside our projects, we meet several times a year for different **company events**. These events give us the opportunity to make new contacts, exchange ideas and spend valuable time together.

EY ifb Experience – clients and projects

Together with our clients, we continue to evolve – worldwide.

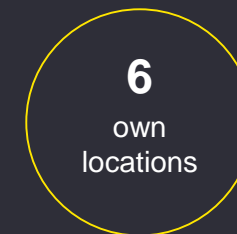

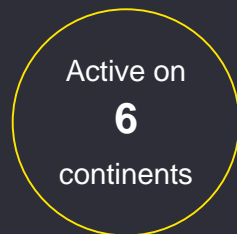

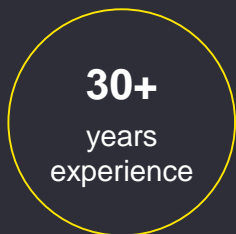

We serve well-known companies in the global financial services industry. Each project is a journey with unique challenges.

We are equipped with the essential blend of know-how – innovative solutions for the fastest way to meet your goals.

- Ability understanding complex problems
- Strong teamwork skills
- Distinct communication skills

Thanks for your
Attention!

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
