Location: Dekanatsitzungssaal (1st floor), Licher Str. 72, 35394 Giessen

ECTS: -

#### Objective

Day 1: After this workshop you will have a broader understanding of how to activate your students, how to frame learning goals, and how to optimize your slides according to the learning goals you chose.

Day 2: After the workshop you know how to implement the methods, which you have learned in the Workshop part 1. After a presentation in front of the group and the trainer, you will receive feedback on your strengths and weaknesses in teaching. With this feedback you can hone your teaching skills to the finest.

#### Content

The workshop focuses on how to design an own lecture/seminar/workshop. It will give you the opportunity of getting to know how to compose learning goals, how to use activating methods to make your teaching vivid, how to appear and present compelling and how to enhance your slides in order to reach your learning goals.

#### Target group

Doctoral candidates and postdoctoral researchers at the GGS; especially GGS Teaching Assistants.

#### Course language
