

Workshop (for women\*)

## **Tactics for Success in English-Language Scholarly Journals: Navigating Peer Review, and Handling Reviewer Feedback**

### **Organizational details:**

Instructor: Dr Beate Richter

Date: December 5, 2024, 10 am to 5.15 pm

Location: Online, BigBlueButton

Max. number of participants: 19

Please note: This workshop is part of the project “Career Key: Publishing and Peer Review”, which is funded by the Ideenwettbewerb zur Frauenförderung at JLU. Therefore, participation is only for women\*.

### **Objectives**

Understanding the peer review process and mastering the art of responding to reviewer feedback are crucial steps for success in the academic publication process. This workshop is designed to give you the knowledge and strategies you need to navigate these critical stages with confidence and professionalism.

### **Content and Methods**

#### **Structuring the Revision Process:**

- Learn how to organize the revision process to address feedback from all reviewers.
- Develop an efficient workflow and timeline for revisions.

#### **Effective Article Revision:**

- Understand decision criteria for addressing specific points raised by reviewers.
- Navigate conflicting feedback and recognize the limits of revision.

#### **Crafting an Impactful Author Response Letter (ARL):**

- Identify common challenges in writing an ARL.
- Explore strategies for justifying changes to the manuscript.
- Study the essential components and format of an ARL.

### **Target group and course language**

PhD students and postdocs.

Course language: English

### **About the instructor**

Dr Beate Richter is the founder of the Wissenschaftliche Schreibwerkstatt Berlin, where she has been offering a broad program of writing workshops, coaching, and editing services for scientists and students across disciplines since 2003. After studying physics, philosophy, and literature, she earned her doctorate in the philosophy of education and has been teaching in the areas of philosophy of science and applied ethics ever since. She is a lecturer at Freie Universität Berlin.

### **Registration**
