KEYNOTE SPEAKERS

Eric D. Wachsman
University of Maryland

Shirley Meng
University of California,
San Diego

Kelsey Hatzell
Princeton University

Robert Dominko
National Institute of
Chemistry

Linda Nazar
University of Waterloo

Matthew T. McDowell
Georgia Institute of
Technology

Qiang Zhang
Tsinghua University

Venkat Srinivasan
Argonne National
Laboratory

WITHIN THE SESSIONS

**Lithium|Electrolyte Interface and Interphase
Lithium Surface Modification
Design of Lithium Anodes**

REGISTER NOW
