

Fact Sheet 2

Center for international Development and Environmental Research

Membership benefits

1 Support for scientific activities

- Administrative support in applying and implementing third-party funded projects
- Full organisational support for the planning and hosting of scientific events
- Seed funding from the Flexible-Fund programs for new projects initiatives, publications or workshops

2 Individual advantages

- Benefits from training and professional development opportunities
- Affiliation with ZEU
- Direct engagement in ZEU's decision-making and drive the centre's future projects and focus areas

3 For JLU-members

Your ZEU projects also count towards your faculty's performance-based funding allocation (LOMZ), thereby improving your performance record. Furthermore, JLU-members are entitled to vote at the ZEU General Assembly.

4 Global networking

- Collaboration with other researchers and institutions, mainly from the Global South
- Interdisciplinary work environment within the ZEU community
- Opportunities to participate in existing research projects
