

Fact Sheet 2

Center for international Development and Environmental Research

Membership benefits

1 Support for scientific activities

- Seed funds to start a new project or initiative (Flexible Funds)
- Administrative support in applying and implementing third-party funded projects
- Full organisational support for the planning and hosting your scientific events

2 Further development

- Benefits from training and professional development opportunities
- Direct engagement in ZEU's decision-making and drive the centre's future projects and focus areas

3 For JLU-members

Your ZEU projects usually count toward your LOMZ, giving you a direct performance boost and supporting your academic track record.

4 Global networking opportunities

- Collaboration with other researchers and institutions, mainly from the Global South
- Interdisciplinary work environment within the ZEU community
- Opportunities to participate in existing research projects
