

**LOEWE**

Exzellente Forschung für  
Hessens Zukunft

Philipps  Universität  
Marburg

JUSTUS-LIEBIG-  
 UNIVERSITÄT  
GIESSEN

GOETHE  UNIVERSITÄT  
FRANKFURT AM MAIN

14:00

Welcome address

14:05

Prof. Dr. Christian Münch (Frankfurt)

Using proteomics to quantify host cell dynamics during infection

14:35

Dr. Marco Binder (Heidelberg)

Staying Vigilant: How Cells Prepare to Fight Viral Infection

15:05

Break

15:15

Dr. Kevin Ciminski (Freiburg)

Another receptor, another tropism: Lessons from bats as influenza A virus reservoirs.

15:45

Dr. Sayed Abdel-Whab (Riems)

Pandemic Potential of Avian Influenza: New Hosts, New Risks

LOEWE-SCHWERPUNKT COROPAN

**MINISYMPOSIUM**

12.12.2024

14:00 – 16:15 UHR

Online Symposium
