Ginsen is a **Bachelor-level summer programme fully taught in English**, organised by Grenoble INP – UGA. You wish to deepen your knowledge in **Micro and Nanotechnology**, while travelling the world and meeting new, exciting people from different cultural backgrounds?

Come and try our Ginsen Summer School! At the **heart of the French Alps**, you will study within one of the **highest ranking** French engineering institutes and have the chance to work in **cutting-edge research facilities**, while enjoying summer surrounded by gorgeous mountains and with **Europe at your doorstep**.

**Admission:** This option is open to students in Physics, Biology, Chemistry, Applied Physics, Telecommunication, Material Science or Electrical Engineering (Bachelor and first year of Masters degree level).

**Key dates:**
- **Application period:** January 18th 2023 - March 19th, 2023
- **Admission period:** March 20th - March 31st, 2023
- **Program dates:** June 19th - July 7th, 2023  
  or June 19th - July 13th, 2023

**Students have to:**
- Be at least 18
- Live in a country that allows you to come study in France
- Have at least an “independent speaker” or B2 level (according to the CEFR standard) in English

**Design your own summer school programme!**

### Ginsen Package (mandatory)

- **Program description:**
  Scientific lectures, 2 full days of training in a research grade clean room, where you will microfabricate your own solar cells, French classes and visits to high-tech R&D facilities, as well as fun extracurricular activities.
- **Number of credits:** 3*

- **General Fees:** 3,000 € for 3 weeks, from June 19th to July 7th
  - **Early Bird:** 10% off for early applicants (Jan 31st)**

- **Fees include:**
  - All lectures and practical sessions
  - Accommodation in Grenoble, 1 private room per student
  - Visits to high-tech scientific facilities

**Evaluation method:** Mandatory attendance plus work from practical sessions.

**Teaching method:** In person.

**Extracurricular activities:** Daily excursions, boardgame nights, nights out with the international student’s association, escape game and many others.

*Please note:*
We advise all students to check with their teachers and/or program director if the credits attributed in the Ginsen Summer Schools Online are accepted by the home institution.

**Please note:** This discount only applies to those who apply before January 31st.

### Project Package (optional)

- **Program description:**
  If you’re interested in getting a full hands on experience, you can choose to have an additional week-long pack with a project of your choice that is related to **Nanotechnology**!
  You will be accompanied by our scientific committee and get their expert advice at the end.

- **General Fees:** 300 € for extra week, from July 8th to July 13th
  - **Early Bird:** 10% off for early applicants (Jan 31st)**

- **Fees include:**
  - Planned extracurricular activities
  - Administrative registration fees
  - Medical insurance (for entire duration of the program)
  - Civil liability
