

University College Cork Language Centre

Language and Methodology Teacher Refresher Courses

Dates:

- April course 13 – 24 April 2020
- June-July course 29 June – 10 July 2020
- August course 17 - 28 August 2020

The course is designed for English Language Teachers (TEFL/TESOL) **and** for those for whom English is a Medium of Instruction (E.M.I) such as teachers and lecturers in third-level institutions and teachers in both primary and secondary schools.

The course covers:

- Methodology and latest ELT developments;
- Developing material evaluation and creation skills;
- Integrating technology into the classroom;
- Developing effective language skills and language system lessons;
- Developing skills to integrate pronunciation improvement effectively into your teaching contexts;
- Developing skills for different teaching contexts and environments;
- Empowering learner autonomy.

The course will re-energise teachers in their teaching and they will return to their home universities/institutions equipped with fresh ideas and materials to enhance their teaching and engage more effectively with their learners.

We would be delighted if you would bring this programme, and choice of dates, to the attention of staff in your university/institution.
