

EVENTS & ACTIVITIES

We organise events for socialising and networking, such as our monthly Roundtable for international doctoral candidates. This event is ideal if you are new to the university and have not made any contacts yet. You can meet other students both from your own and different disciplines for a chat in a relaxing atmosphere. Ideal for relaxing after a long day at the desk or in the lab! Additionally, we organise trips to the theatre, museums and local sports events. To find out more about this, please email us or see us at our office. Ideas for new activities are always welcome!
