JLU-ACCOUNT (IAM) – SET-UP

- After enrolment (“matriculation”) you will receive an email with the subject *Aktivieren Sie bitte Ihren JLU-Account / Please activate your JLU-Account* to your private email account. For the set-up of your account you will need:
 - your matriculation number (can be found in the portal GUDE or on your enrolment certificate)
 - the token given in the activation email
 - your date of birth
- These three components form a one-time password that you will enter on the iam-website (link in email).
- If you did not receive the email or if you cannot find it, please contact the Helpdesk!
 - Phone: 0641 99 13100
 - Email: support@hrz.uni-giessen.de
- You will receive a **user name (starting with “j”, ending with numbers)** and **password** after successful activation

JLU ACCOUNT (IAM) – USE

- This user name and password are your access to **all** electronic services at JLU:
 1. University email account that can be accessed via webmail (OWA) or with email clients like Outlook or Thunderbird
 2. Examination management system *FlexNow* (only for degree-seeking students)
 3. Learning management and information systems *Stud.IP, ILIAS, k-MED, sports-edu*
 4. Cloud Storage *JLUbox/Hessenbox*
 5. Access to public work stations (only for on-campus students)
 6. Access to wireless LAN and public data sockets (only for on-campus students)
 7. Access to electronic resources of the library system from home

UNIVERSITY EMAIL ADDRESS – LOG-IN

- Your university email address is composed of your first and your last name – if applicable your middle initial – and the ending *@stud.uni-giessen.de*
- Should be used:
 - for correspondences with lecturers and staff of JLU
 - to receive important messages send to you by the university (e.g. university news, reminders, FlexNow messages, etc.)
 - for licensed software for university students (e.g. Citavi)
- Access via webmail: <https://owa.uni-giessen.de/owa/>
- Can be incorporated into Outlook or Thunderbird

Graphic: Colour box.de/#247249

UNIVERSITY EMAIL ADDRESS – OTHER DEVICES

- [E-Mail — Hochschulrechenzentrum \(HRZ\) \(uni-giessen.de\)](mailto:myJLU@admin.uni-giessen.de)
- Use Exchange to set-up email account on your smartphone
- Possible apps: Gmail, Apple Mail, K-9 Mail
- Also: manage your emails in JLUApp
- Support for JLUApp:
 - myJLU@admin.uni-giessen.de

INTERNET ACCESS ON CAMPUS (ON-CAMPUS STUDENTS)

- For first use, connect to the wireless LAN *ugifula*.
- Depending on the type of your device (Microsoft, Linux, Apple or Android), follow the [set-up instructions](#).
- You will need your username + “@uni-giessen.de”.
- Hint: old usernames started with “s” or “g”. Sometimes the username is referred to as *S or G identification* in the brochures

Photo: Colourbox.de/#85

STUDENT ID CARD/CHIP CARD (ON-CAMPUS STUDENTS)

- Newly enrolled students will receive an email on how to order the chip card. You will need to provide a photo and an address in Germany.
- **Functions:**
 - identification as student of JLU including matriculation number
 - university library card
 - cashless payment method for:
 - cafeterias and restaurants of the Studierendenwerk Giessen
 - prints, copies and scans at public printers of JLU
 - some washing machines in dorm rooms of the Studierendenwerk Giessen
 - discounts at various institutions like outdoor swimming pool, theatre, Nextbike
 - key to permitted areas and or university lockers
- The ticket for public transport (**Deutschlandticket**) must be downloaded onto your phone in form of a QR-Code > Your student ID is not used anymore as a ticket for public transport!

Photo: JLU/Sarah Strüßmann

Important:

Please validate your chip card at one of the [validation machines](#) on campus each semester after paying the semester contribution!

HESSENBOX/JLUBOX

- The Hessenbox/JLUbox is a free cloud storage for students of JLU. You can also use it to edit documents in a web browser.
- 30 GB of storage
- Link to Hessenbox/JLUbox: <https://jlubox.uni-giessen.de/login>
- Log-in with your username and password

STUD.IP

Stud.IP at JLU is an online platform and accessible worldwide via the browser

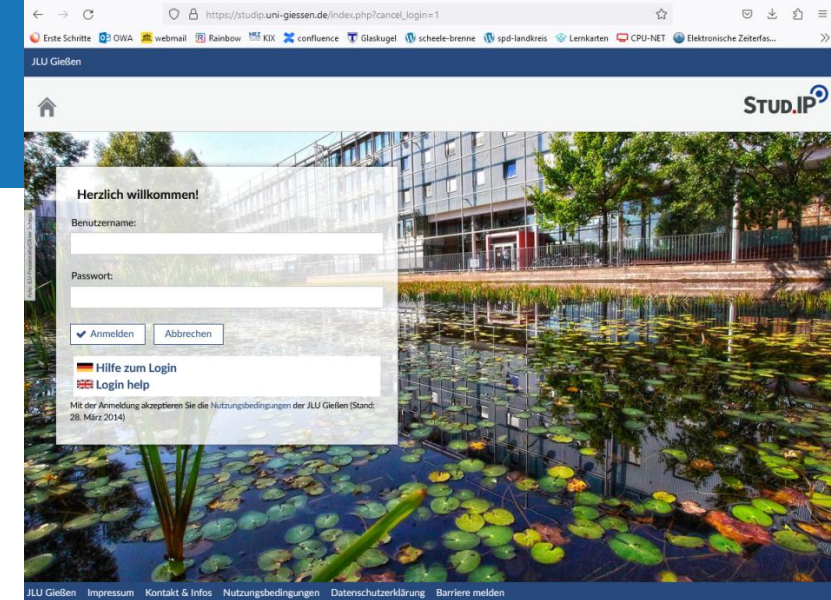

You can find Stud.IP at JLU via the address

<https://studip.uni-giessen.de>

or via the JLU website: www.uni-giessen.de -> direct links -> Stud.IP

If you use Google:

Please keep in mind that Stud.IP is also used at other universities.
Do not get lost! Look for "Stud.IP at JLU"!

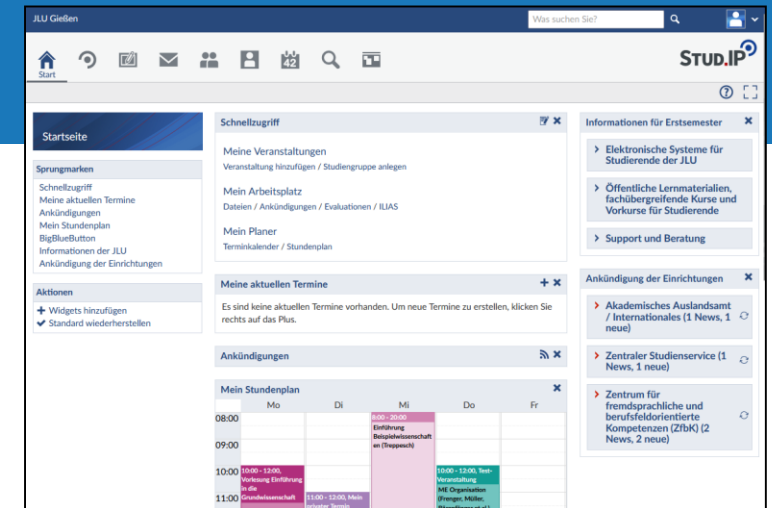

STUD.IP

What is Stud.IP for and why you should (must) use it!

("Stud.IP" ~ *Internet support for teaching during studies*)

- In Stud.IP you can find **all courses** at JLU, sorted by semesters and **study programmes**
- Here you **register** for courses to get access to the **slides, files**, information and dates of the course during the semester.
- Teachers use Stud.IP for **communication** with students or for example to collect **homeworks**

In some departments, registration via Stud.IP is mandatory, in others you have to register via **FlexNow**. Please inform yourself about this at the beginning of the semester!

STUD.IP: SETTINGS

The screenshot shows the Stud.IP user interface. At the top, the navigation bar includes icons for home, refresh, edit, mail, profile, calendar, search, and a grid. Below this, a menu contains 'Profil', 'Persönliche Angaben', 'Einstellungen', 'Kategorien', 'Sprechstunden', and 'Mehr ...'. The 'Einstellungen' menu item is highlighted with a red box and an arrow. Below the menu, the 'Allgemeine Einstellungen' section is visible. A red box highlights the 'Sprache' dropdown menu, which is currently set to 'English'. The dropdown list shows 'English', 'Deutsch', and 'English' (highlighted). A red arrow points from the 'English' option in the dropdown to the 'Speichern' button at the bottom of the settings page, which is also highlighted with a red box.

After the login

You may wish to switch Stud.IP to English:

- go to “Profil” (profile)
- go to “Einstellungen” (settings).

- select “Sprache” (language): English
- and save this setting (“speichern”)!

STUD.IP: FUNCTIONS

The screenshot shows the Stud.IP interface for a user at JLU Gießen. The top navigation bar includes the university name, a search bar, and a user profile icon. Below this is a row of icons for home, courses, documents, mail, groups, profile, calendar, search, and calendar. The 'Courses' icon is highlighted with a red box. The main content area shows the 'My courses' page, which is currently empty. A message box states: 'No course found. Possible causes: • Sie haben zur Zeit keine Veranstaltungen belegt, an denen Sie teilnehmen können. Bitte nutzen Sie [Veranstaltung suchen / hinzufügen](#) um sich für Veranstaltungen anzumelden. • In dem ausgewählten **Semester** wurden keine Veranstaltungen belegt. Wählen Sie links im **Semesterfilter** ein anderes Semester aus!'. The sidebar on the left contains sections for 'My courses' (highlighted with a red box), 'Current courses', 'Archived courses', 'Semester filter' (set to 'SoSe 2025'), 'Actions' (Change colour grouping, Adjust notifications, Add a course, Create new study group), and 'Grouping' (Standard, Field of study, Type, Groups by colour, Lecturers).

- i** No course found. Possible causes:
- Sie haben zur Zeit keine Veranstaltungen belegt, an denen Sie teilnehmen können. Bitte nutzen Sie [Veranstaltung suchen / hinzufügen](#) um sich für Veranstaltungen anzumelden.
 - In dem ausgewählten **Semester** wurden keine Veranstaltungen belegt. Wählen Sie links im **Semesterfilter** ein anderes Semester aus!

If you are in Stud.IP for the first time, the “My courses” page is probably still empty. (In some cases you will be enrolled in a course in advance, but as a rule you will have to register yourself!)

STUD.IP: FUNCTIONS

The screenshot displays the Stud.IP interface. At the top, there is a navigation bar with the text 'JLU Gießen' on the left and a search bar on the right containing the text 'What are you looking for?'. Below this is a row of icons: a home icon, a refresh icon, a document icon, an envelope icon, a group of people icon, a person icon, a calendar icon with the number '42', a magnifying glass icon labeled 'Search', and a grid icon. Below the icons is a horizontal menu with the following items: 'Global search', 'Course directory', 'Archive', and 'Rooms'. The 'Course directory' item is highlighted with a red box. A red arrow points from the 'Search' icon to a search bar in the main content area. Another red arrow points from the 'Course directory' menu item to the 'All results' section of the search results. The search bar contains the text 'What are you looking for?'. Below the search bar, there is a section for 'Active filters' with the text 'Semester: Current and next semester' and a trash icon. On the left side, there is a 'Result display' section with a list of options: 'All results', 'Courses', 'Persons', 'Institutes', 'Files', and 'Postings'. Below this is a 'Semester' section with a dropdown menu showing 'Current and next semester'. A blue box with a white background and a blue border contains text explaining the search and course directory functions. Two red arrows point from this box to the 'Search' icon and the 'Course directory' menu item.

STUD.IP: FUNCTIONS

The icon shows whether registration to the course is possible:

Red: No or Not yet

Yellow: it depends ..

Green: Yes!

What if the icon is not green?

Symbol is red? No registration is possible?

- Take a look at the **overview page** of the course for information about the registration date or deadline
- Wait a few days and come back to have a look!
- Contact the lecturer via Stud.IP or E-Mail

A special password is required to register for the course?

- Often the password is announced in the first attendance session, or you receive it by e-mail from the teachers
- Contact the lecturer via Stud.IP or e-Mail
- Keep in mind: This is **not** your JLU password!

You have general questions about Stud.IP ?

ILIAS

ILIAS is an online learning management system and accessible worldwide via the browser

You can find ILIAS at JLU via the address

<https://ilias.uni-giessen.de>

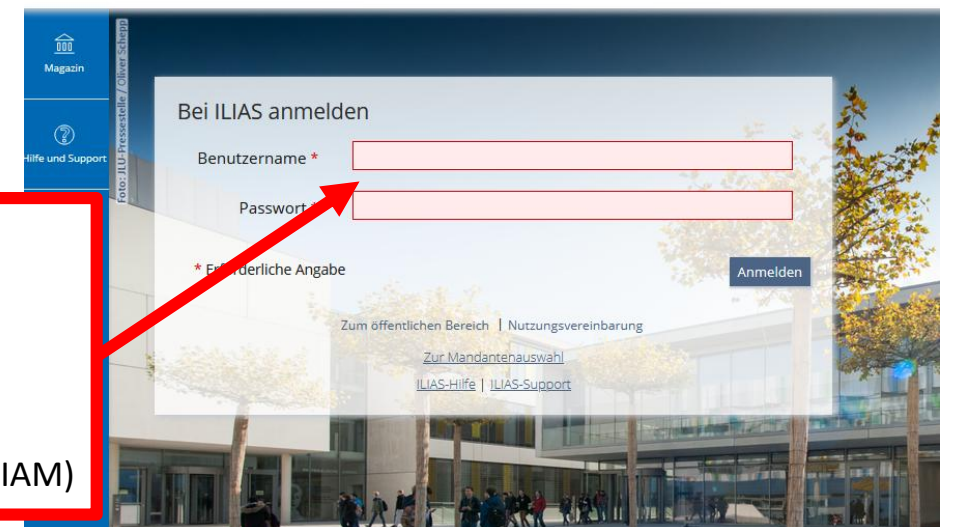

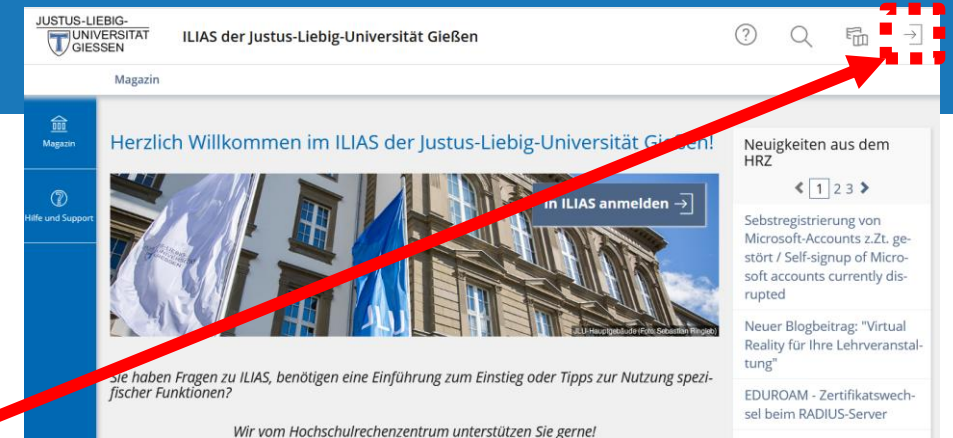

(Login-Icon in the upper right corner)

or via the JLU website: www.uni-giessen.de -> direct links -> ILIAS

or via Stud.IP!

Insert your JLU user name
(= "J_.....")

and the corresponding **password**.
(= the password you set for this user name at the IAM)

ILIAS

What is ILIAS for?

("ILIAS" ~ Integrated learning, information and work cooperation system)

- ILIAS is used **in addition to Stud.IP**
- Here you have access to **videos, exercises, tests, learning modules, and tools for collaboration**

Good to know: Not every lecturer uses ILIAS!

The screenshot shows the ILIAS interface for lecturers. The main heading is "Erste Schritte in ILIAS für Lehrende". Below this, there's a section titled "Bereiche von ILIAS: Magazin vs. 'Mein ILIAS'". The text explains that there are two main areas: "Das Magazin" and "Mein ILIAS". "Das Magazin" contains all courses and groups, while "Mein ILIAS" is a personal workspace. A sidebar on the left contains navigation icons for Dashboard, Mein ILIAS, Magazin, and Hilfe und Support. An image of a library is shown on the right side of the page.

ILIAS Settings: Change Display Language

The screenshot shows the ILIAS interface for Justus-Liebig-Universität Gießen. The top navigation bar includes the university logo, the text 'ILIAS der Justus-Liebig-Universität Gießen', and user icons for notifications, search, and profile. The profile icon, a red circle with 'sh', is highlighted with a red dashed box. A dropdown menu is open, showing 'Profile and Privacy', 'Settings' (highlighted with a red dashed box), and 'Logout'. A red arrow points from the 'Settings' option to the profile icon. Another red arrow points from the profile icon to a text box containing instructions.

After your first login you may wish to switch the display language of ILIAS:

1. click on the circle displaying your initials in the upper right corner
2. select “Einstellungen” (settings)

ILIAS Settings: Change Display Language

3. select “Sprache” (language):
for example “English”

4. save this setting (“speichern”)!

Important Notice:
You can only change the display language of the ILIAS system.
There is no automatic translation for the learning materials themselves.

- your calendar
- different widgets like tasks or news

ILIAS Dashboard

The screenshot shows the ILIAS Dashboard for Justus-Liebig-Universität Gießen. The top navigation bar includes the university logo, the text 'ILIAS der Justus-Liebig-Universität Gießen', and user icons for notifications, search, and profile. A left sidebar contains navigation options: Dashboard, My ILIAS, Repository, Last Visited, and Help and Support. The main content area is titled 'Dashboard' and features a red-bordered box with 'Good to know' information, a 'My Courses and Groups' section with a red dashed border, and a right sidebar with 'Tasks', 'Calendar', and 'News' widgets.

Good to know:

- You can only see courses that you are a **member** of.
- If you have not yet entered **from a Stud.IP course** to the attached ILIAS course via the so-called Stud.IP-ILIAS interface, you will **not** see this course in the “My courses and groups” area.

The screenshot shows the ILIAS interface for Justus-Liebig-Universität Gießen. The top navigation bar includes the university logo, the text "ILIAS der Justus-Liebig-Universität Gießen", and user navigation icons (profile, notifications, search, and a "ju" logo). Below the navigation bar, the breadcrumb "Repository > Open Course Ware" is visible. A left sidebar contains menu items: "Dashboard", "My ILIAS", "Repository" (highlighted with a red dashed box), "Last Visited", "Help and Support", and "Service and Technical Facilities". The main content area is divided into two columns. The left column features a "Repository - Home" section with "Tree View" and "Public Learning Content" (highlighted with a red dashed box), and "Public Content of Faculties, Departments and Research Centers" (highlighted with a red dashed box). The right column contains a "Wissenschaftliches Arbeiten" section with a list of sub-topics: "Grundlagen", "Textverarbeitung", "Literaturrecherche und -verwaltung", and "Korrekte Wissenschaftssprache (DE | EN)". To its right is a "Argumentieren, Präsentieren, Vortragen" section with sub-topics: "Grundlagen", "Präsentieren und Vortragen", and "Referate und Poster". A red-bordered text box is overlaid on the "Public Learning Content" and "Public Content of Faculties" items.
