Graphic: Coulourbox.de/#80000

JLU-ACCOUNT (IAM) – SET-UP

- After enrolment (“matriculation”) you will receive an email with the subject *Aktivieren Sie bitte Ihren JLU-Account / Please activate your JLU-Account* to your private email account. For the set-up of your account you will need:
 - your matriculation number (can be found in the portal GUDE or on your enrolment certificate)
 - the token given in the activation email
 - your date of birth
- These three components form a one-time password that you will enter on the iam-website (link in email).
- If you did not receive the email or if you cannot find it, please contact the Helpdesk!
 - Phone: 0641 99 13100
 - Email: support@hrz.uni-giessen.de
- You will receive a **user name (starting with “j”, ending with numbers)** and **password** after successful activation

JLU ACCOUNT (IAM) – USE

- This user name and password are your access to **all** electronic services at JLU:
 1. University email account that can be accessed via webmail (OWA) or with email clients like Outlook or Thunderbird
 2. Examination management system *FlexNow* (only for degree-seeking students)
 3. Learning management and information systems *Stud.IP*, *ILIAS*, *k-MED*, *sports-edu*
 4. Cloud Storage *next.hessenbox*
 5. Access to public work stations (only for on-campus students)
 6. Access to wireless LAN and public data sockets (only for on-campus students)
 7. Access to electronic resources of the library system from home

UNIVERSITY EMAIL ADDRESS – LOG-IN

- Your university email address is composed of your first and your last name – if applicable your middle initial – and the ending *@stud.uni-giessen.de*
- Should be used:
 - for correspondences with lecturers and staff of JLU
 - to receive important messages send to you by the university (e.g. university news, reminders, FlexNow messages, etc.)
 - for licensed software for university students (e.g. Citavi)
- Access via webmail: <https://owa.uni-giessen.de/owa/>
- Can be incorporated into Outlook or Thunderbird

UNIVERSITY EMAIL ADDRESS – OTHER DEVICES

- [E-Mail — Hochschulrechenzentrum \(HRZ\) \(uni-giessen.de\)](mailto:myJLU@admin.uni-giessen.de)
- Use Exchange to set-up email account on your smartphone
- Possible apps: Gmail, Apple Mail, K-9 Mail
- Also: manage your emails in JLUApp
- Support for JLUApp:

➤ myJLU@admin.uni-giessen.de

INTERNET ACCESS ON CAMPUS (ON-CAMPUS STUDENTS)

- For first use, connect to the wireless LAN *ugifula*.
- Depending on the type of your device (Microsoft, Linux, Apple or Android), follow the [set-up instructions](#).
- You will need your username + “@uni-giessen.de”.
- Hint: old usernames started with “s” or “g”. Sometimes the username is referred to as *S or G identification* in the brochures

Photo: Colourbox.de/#85

STUDENT ID CARD/CHIP CARD (ON-CAMPUS STUDENTS)

- Newly enrolled students will receive an email on how to order the chip card. You will need to provide a photo and an address in Germany.
- **Functions:**
 - identification as student of JLU including matriculation number
 - university library card
 - cashless payment method for:
 - cafeterias and restaurants of the Studierendenwerk Giessen
 - prints, copies and scans at public printers of JLU
 - some washing machines in dorm rooms of the Studierendenwerk Giessen
 - discounts at various institutions like outdoor swimming pool, theatre, Nextbike
 - key to permitted areas and or university lockers
- The ticket for public transport „**Deutschlandticket**“ must be downloaded onto your phone in form of a QR-Code (not on the chip card!)

Photo: JLU/Sarah Strüßmann

Important:

Please validate your chip card at one of the [validation machines](#) on campus each semester after paying the semester contribution!

NEXT HESSENBOX

- The next.hessenbox is a free cloud storage for students of JLU. You can also use it to edit documents in a web browser.
- 30 GB of storage
- Link to next.hessenbox: <https://next.hessenbox.de/>
- Log-in with your username and password

STUD.IP

- Contact: Sabine Scheele-Brenne M.A. and Alexander Galfe
- Email: studip@uni-giessen.de
- Phone: +49 641-99-13115
- Availability:
 - Monday – Friday 09:00 a.m. – 12:00 p.m.
 - Monday – Thursday 02:00 p.m. – 03:30 p.m.

STUD.IP

Stud.IP at JLU is an online plattform and accessible worldwide via the browser

You can find Stud.IP at JLU via the address

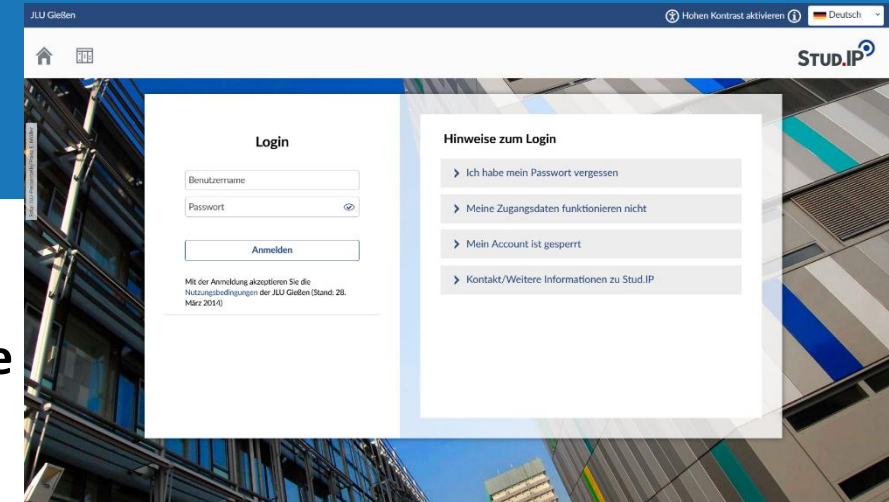

<https://studip.uni-giessen.de>

or via the JLU website: www.uni-giessen.de -> direct links -> Stud.IP

If you use Google:

Please keep in mind that Stud.IP is also used at other universities.

Do not get lost! Look for "Stud.IP at JLU"!

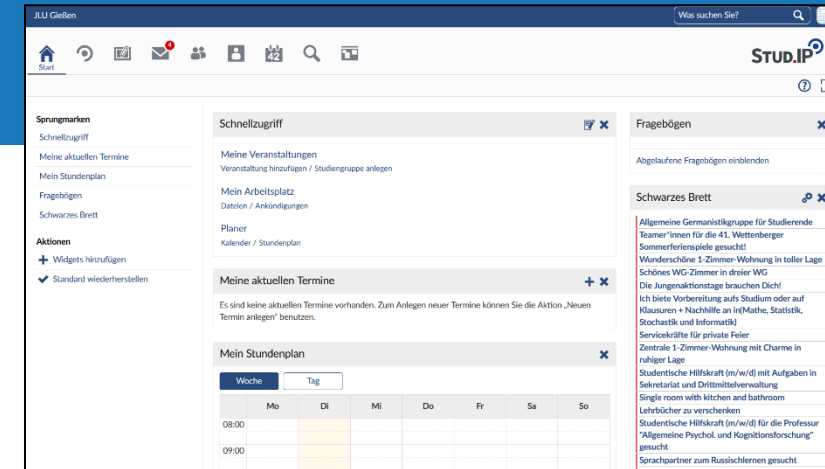

STUD.IP

What is Stud.IP for and why you should (must) use it!

("Stud.IP" ~ *Internet support for teaching during studies*)

- In Stud.IP you can find **all courses** at JLU, sorted by semesters and **study programmes**
- Here you **register** for courses to get access to the **slides, files**, information and dates of the course during the semester.
- Teachers use Stud.IP for **communication** with students or for example to collect **homeworks**

In some departments, registration via Stud.IP is mandatory, in others you have to register via **FlexNow**. Please inform yourself about this at the beginning of the semester!

If you are in Stud.IP for the first time, the “My courses” page is probably still empty. (In some cases you will be enrolled in a course in advance, but as a rule you will have to register yourself!)

STUD.IP: FUNCTIONS

The screenshot displays the Stud.IP user interface. At the top, there is a navigation bar with the text 'JLU Gießen' on the left and a search bar on the right containing the text 'What are you looking for?'. Below this, a row of icons includes a home icon with a '3' notification, a refresh icon, a document icon, an envelope icon with a '1' notification, a group of people icon, a profile icon, a calendar icon showing '42', a magnifying glass icon labeled 'Search', and a grid icon. Below the icons, there are tabs for 'Global search', 'Course directory', 'Archive', and 'Rooms'. The 'Course directory' tab is highlighted with a red box. A red arrow points from the 'Search' icon to a search input field in the center of the page. Another red arrow points from the 'Course directory' tab to a text box containing instructions. The text box has a blue border and contains the following text: 'To register for a course you can use the Search. For example, search for a keyword from the title or the teacher's last name. You can view **all** of JLU's courses through the course directory.' The left sidebar shows 'Result display' options: 'All results', 'Courses (20)', 'Persons (11)', 'Institutes', 'Files (1)', 'Postings', and 'Study groups'. Below this is a 'Filter' section with a 'Semester' dropdown menu set to 'Current and next semester'.

STUD.IP: FUNCTIONS

The screenshot displays the STUD.IP user interface. At the top, the header includes 'JLU Gießen' on the left, a search bar with the text 'What are you looking for?' and a magnifying glass icon, and a user profile icon on the right. Below the header is a navigation bar with icons for Home (with a red '3' notification), Home, Documents, Mail (with a red '1' notification), Groups, Profile, Calendar (with '42'), Search (highlighted with a red box), and a grid icon. The 'STUD.IP' logo is positioned on the right side of this bar. Below the navigation bar, there are tabs for 'Global search', 'Course directory', 'Archive', and 'Rooms'. A blue-bordered callout box points to the search bar, containing the text: 'As an example, we are now searching for course with the title „... ILIAS...“'. The search bar itself contains the text 'ILIAS'. Below the search bar, there are 'Active filters' including 'Semester: Current and next semester'. On the left side, there is a 'Result display' section with a list of categories: 'All results' (highlighted), 'Courses (20)', 'Persons (11)', 'Institutes', 'Files (1)', 'Postings', and 'Study groups'. Below this is a 'Filter' section with a 'Semester' dropdown menu set to 'Current and next semester'. At the bottom left, the date '02.04.2026' is displayed.

ILIAS SETTINGS: CHANGE DISPLAY LANGUAGE

The screenshot shows the ILIAS user interface. At the top left is the Justus-Liebig-Universität Gießen logo and the text 'ILIAS der Justus-Liebig-Universität Gießen'. On the right are notification, search, and user profile icons. A blue sidebar on the left contains navigation links: Dashboard, My ILIAS, Repository, Last Visited, and Help and Support. The main content area is titled 'Settings' and has two tabs: 'General Settings' (selected) and 'Mail Settings'. Under 'General Settings', the 'Language' dropdown menu is open, showing options: Deutsch, English (highlighted), Español, Français, and Ukrainian. Below the language options is a note: 'improve ILIAS for usage with screen readers.' Other settings include 'Default Skin / Style', 'Screen Reader Optimization', 'Hits/Page' (set to 50), 'Last Visited' (set to 'Remember last visited'), 'ILIAS-Timezone' (set to 'GMT+1:00: Amsterdam, Berlin, Bern, Rome, Stockholm, Vienna'), and 'Date Input Format' (set to '31.10.2022'). A 'Save' button is located at the bottom right of the settings area.

3. select “Sprache” (language):
for example “English”

4. save this setting (“speichern”)!

Important Notice:
You can only change the display language of the ILIAS system.
There is no automatic translation for the learning materials themselves.

ILIAS DASHBOARD

The screenshot shows the ILIAS dashboard interface. At the top left is the Justus-Liebig-Universität Gießen logo and the text 'ILIAS der Justus-Liebig-Universität Gießen'. On the right are notification, search, and user profile icons. A vertical blue sidebar on the left contains menu items: 'Dashboard', 'My ILIAS', 'Repository', 'Last Visited', and 'Help and Support'. The main content area is divided into sections: 'Favourites' (with 'Open Course Ware' and a course 'Creating posters to present science'), 'My Courses and Groups' (with 'SoSe 2020 (a)' and a course 'Einführung in die Wissenschaftstheorie'), and 'Folder' (with 'Group 1' and 'Group 2'). A calendar for August 2022 is visible on the right, and a 'News' section at the bottom right shows 'No news available.'.

Your personal dashboard is divided into several sections:

- your favourites
- your selected courses and groups
- your calendar
- different widgets like tasks or news

ILIAS DASHBOARD

The screenshot shows the ILIAS dashboard for Justus-Liebig-Universität Gießen. The top navigation bar includes the university logo, the text 'ILIAS der Justus-Liebig-Universität Gießen', and user icons for notifications, search, and profile. A left sidebar contains navigation options: Dashboard, My ILIAS, Repository, Last Visited, and Help and Support. The main content area is titled 'Dashboard' and features a red-bordered box with 'Good to know' information, a red-dashed box around the 'My Courses and Groups' section, and another red-bordered box with an 'Important Notice'.

Good to know:

- You can only see courses that you are a **member** of.
- If you have not yet entered **from a Stud.IP course** to the attached ILIAS course via the so-called Stud.IP-ILIAS interface, you will **not** see this course in the “My courses and groups” area.

ILIAS MAIN MENU: HELP AND SUPPORT

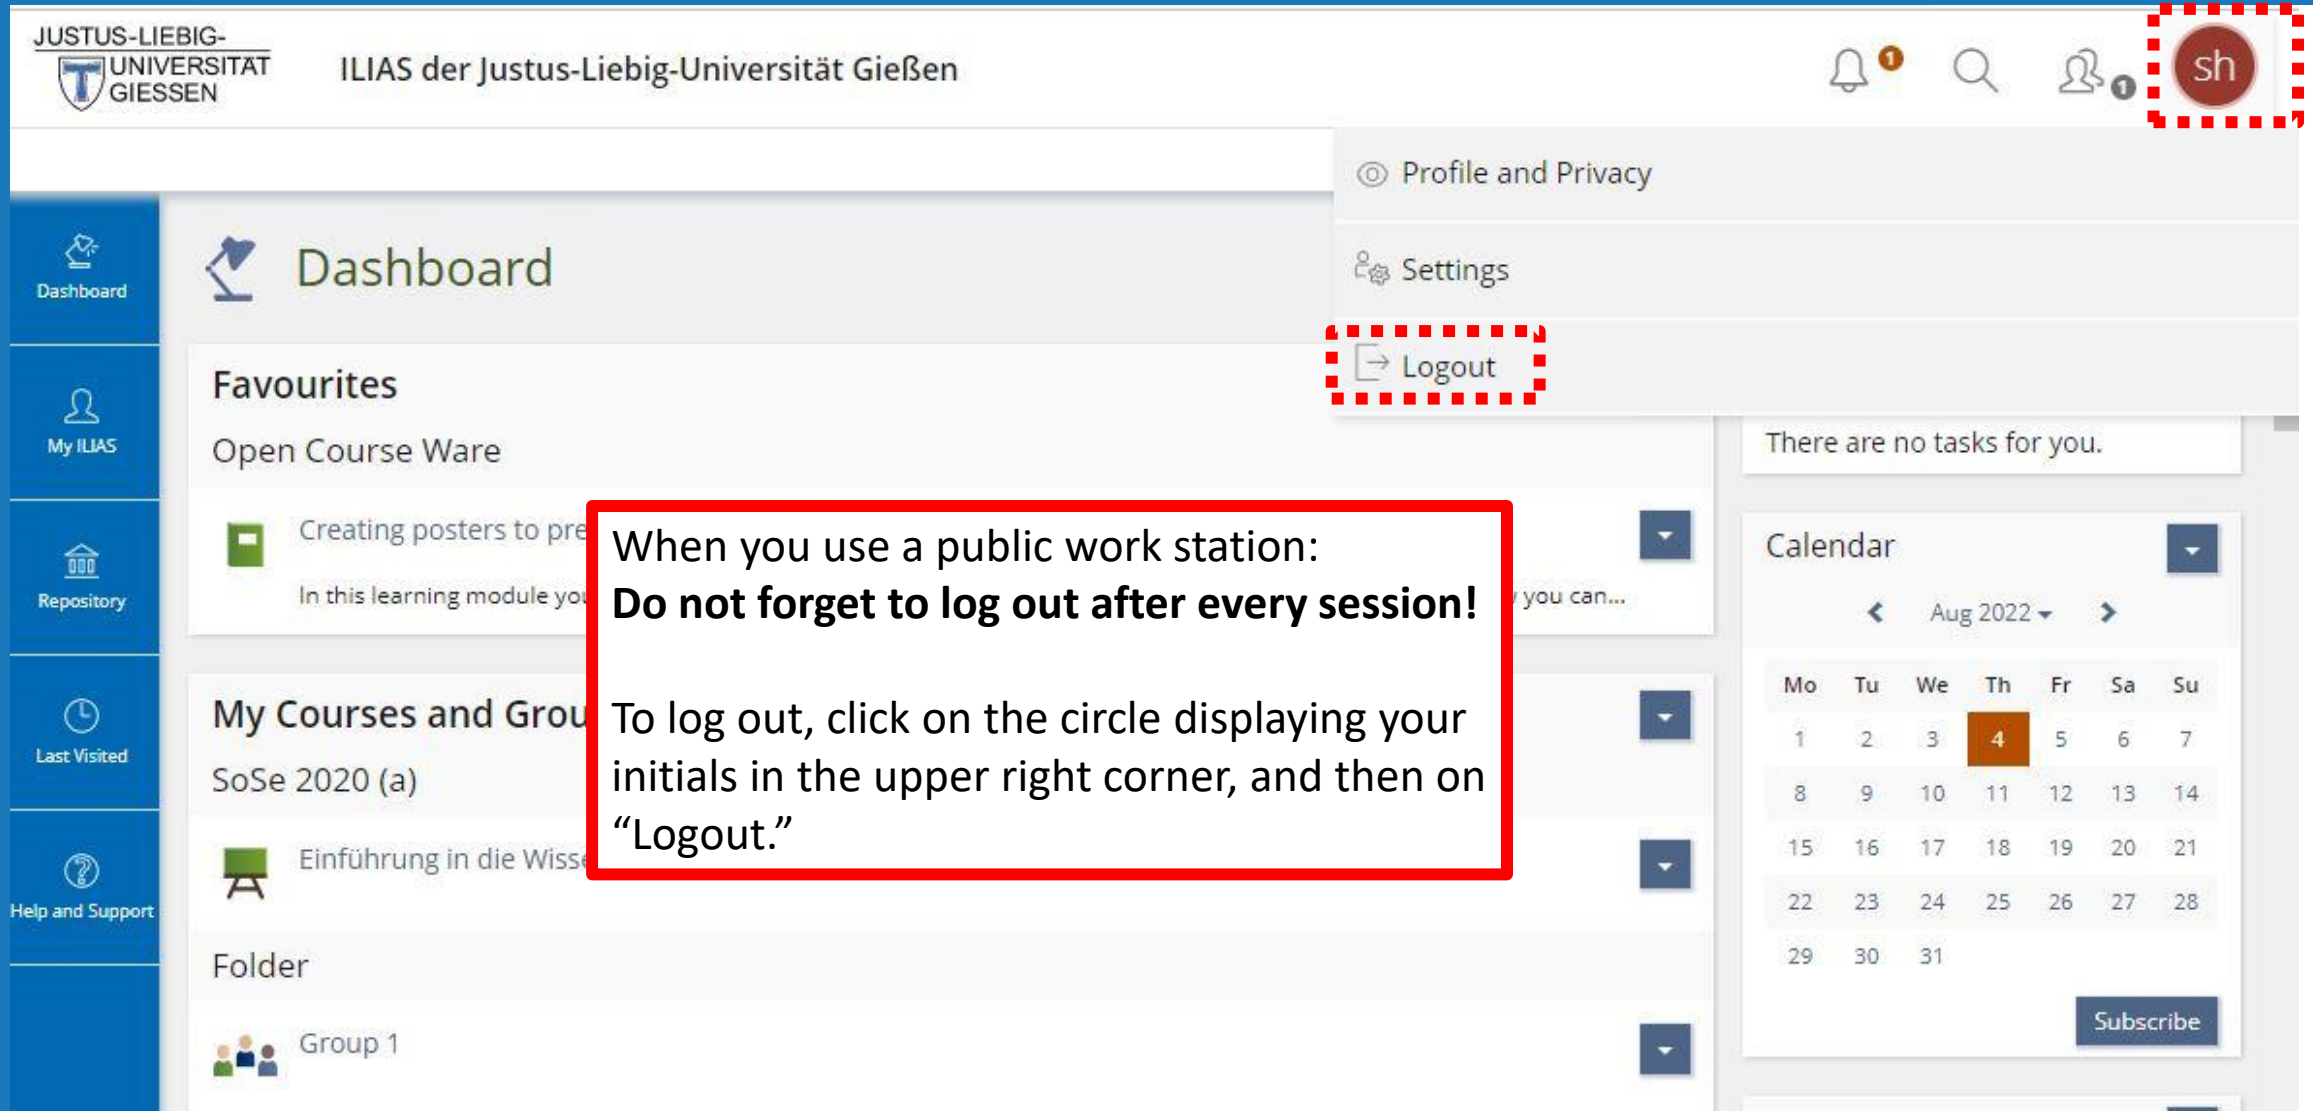

The screenshot shows the ILIAS main menu for Justus-Liebig-Universität Gießen. The top navigation bar includes the university logo, the text 'ILIAS der Justus-Liebig-Universität Gießen', and user icons. The breadcrumb trail reads: 'Repository > Öffentliche Angebote der Fachbereiche und Zentren > Hochschulrechenzentrum (HRZ) > The Electronic Systems for your Studies'. The left sidebar contains several menu items: 'Dashboard', 'My ILIAS', 'Repository', 'Last Visited', 'Help and Support', 'Video Upload', 'ILIAS Pegasus App', 'Contact ILIAS support', and 'ILIAS Consultation Hour'. The 'Help and Support' item is highlighted with a red dashed border. A red-bordered text box in the center contains the following text:

If you find yourself not knowing what to do, you may click **“Help and Support”**.

The section **“setup – The Electronic Systems for your Studies”** offers videos on the electronic systems for your studies, for example Stud.IP, ILIAS, FlexNow but also general information on the IT services of the HRZ.

The main content area on the right shows a video player titled 'The Electronic Systems for your Studies' with a play button and a progress bar. Below the video is a card titled 'IT-Services for your course of studies' with a star rating of 5 stars and 1 review.

ILIAS LOGOUT

The screenshot shows the ILIAS dashboard interface. In the top right corner, there is a user profile icon with the initials 'sh' inside a red dashed box. A dropdown menu is open from this icon, showing options: 'Profile and Privacy', 'Settings', and 'Logout'. The 'Logout' option is also highlighted with a red dashed box. A red-bordered text box is overlaid on the dashboard, providing instructions on how to log out from a public workstation.

When you use a public work station:
Do not forget to log out after every session!
To log out, click on the circle displaying your initials in the upper right corner, and then on "Logout."
