

Hi everyone! I'm Junia Schmidt, 21 years old and I am studying medicine in Giessen. As I'm going to Bratislava this winter term from september 26 to february 27, I would like to offer my little apartment to other Erasmus students coming to Giessen.

THE APARTMENT:

The apartment is a cozy 30 sqm space and includes a bright main living room, a small separate kitchen, a bathroom, and a lovely balcony. It is located on the 4th floor of the building, which offers a nice view and plenty of natural light. Please note that there is no elevator in the building.

Costs:

All in all, the apartment costs 550 euros per month, which includes all additional expenses except electricity. I would like to calculate the electricity costs based on your actual usage, so you just pay as much as you use. Please also note that there is currently no WiFi in the apartment. If you have any questions regarding the apartment or the costs, please don't hesitate to contact me.

WHERE YOU WILL STAY:

The apartment is located in the Gartenstraße near the city center of Gießen.

- 📍 5-7 min by foot to „Berliner Platz“ a big bus station
- 📍 10-12 min by foot to the city center
- 📍 20 min by foot to the library

Since I will be handing over the apartment fully furnished, a respectful and careful way of living is very important to me. My apartment is truly a little comfort place for me, and I would love to leave it in good hands during my time abroad.
