

Hi! I'm Margareta Wirth and spending the winter semester 2026/27 in Turin for Erasmus and I'm therefore looking for someone to sublet my room in Gießen from around September 2026 until February 2027. A slightly later move-in date is also possible. :)

THE ROOM / APARTMENT

The room is around 15 m² and will be rented fully furnished for €360 per month. Since I'm leaving my furniture and some personal belongings in the room, it's important to me that you treat everything with care.

The apartment is a cozy 3-person shared flat with three bedrooms, a kitchen, a bathroom and a living room with a dining table and our pink sofa. There is plenty of space to spend time together, but everyone also has their own private room.

You'll be living with Kea and Mira, both students in their early twenties. We like cooking together, having movie nights, chatting, playing board games or going for coffee. At the same time, everyone can of course have their own space.

We value cleanliness, openness and a respectful atmosphere and would love to find someone who is looking for more than just a place to sleep.

- 15 min walk to the library
- 20 min walk to the train station
- 12 min walk to the city center

If this sounds like a good fit, feel free to contact me on WhatsApp at +49 01634823549 and tell me a little bit about yourself. :)
