 Tabular presentation of the version information .....1

The University of Wisconsin-Milwaukee and Justus Liebig University Giessen herewith reconfirm their commitment to the long lasting cooperation and their willingness to further support and extend the academic cooperation between both institutions beyond student exchanges to the fields of faculty, staff and research initiatives.

Both sides are convinced that scientific collaboration, cultural exchange, joint research and other ways of academic cooperation are beneficial for either side.

Both partners regard the following areas of collaboration as especially desirable and feasible:

- collaboration in the framework of joint research projects
- exchange of students and academic staff
- networking for a sustainable collaboration between the universities
- mutual support for the preparation of seminars, conferences, and working groups
- exchange of academic and scientific publications, documents and other information.

This memorandum is an expression of goodwill of both sides to foster and enhance the well- established partnership. Any specific activities will be subject to additional agreements. Problems that might arise due to interpretation, fulfilment or further development of the MoU shall be solved by mutual agreement.

Signed by the parties in Milwaukee, Wisconsin on May 2, 2016.

For the Board of Regents of the  
University of Wisconsin System on behalf  
of the University of Wisconsin-Milwaukee
