

Spezielle Ordnung für den Master-Studiengang Global Change: Ecosystem Science and Policy Anlage 1: Studienverlaufsplan In der Fassung des 1. Beschlusses vom 26.04.2013	01.10.2012	7.36.08 Nr. 4	S. 1
---	------------	---------------	------

Gültig ab WiSe 2013/14

		Winter Semester (1)				Transition			Summer Semester (2)					Winter Semester (3)					
		1	2	3	4	5	6	7		8	9	10	11	12		13	14	15	16
		Sept	Oct	Nov	Dec	Jan	Feb	March	March	April	May	June	July	Aug	Sep	Oct	Nov	Dec	
Modules	CP	UCD				[Red]			JLU					UCD or JLU					
1. Global Change Introduction	5	[Yellow]																	
2. Core Skills for Research	5	[Yellow]																	
3. Plant-Atmosphere Climate Interaction	5	[Yellow]																	
4. Environmental Impact Assessment	5	[Yellow]																	
5. Science and Policy	5	[Yellow]																	
6. European Environmental Policy	5	[Yellow]																	
7. Optional module UCD	5	[Yellow]																	
8. Work Placement	20					[Red]													
9. Plant-Soil-Atmosphere Interactions	5								[Green]										
10. Ecosystem and Model Development	3								[Green]										
11. Policy Consultancy	6								[Green]										
12. Resource Economics and Environmental Management	6								[Green]										
13. Palaeoclimatology	6								[Green]										
14. Biodiversity Informatics	3								[Green]										
15. Optional module JLU	6								[Green]										
16. Research Project Thesis	30													[Orange]					
CP total per column	120	35				20			35					30
