

Please evaluate the class you attended by filling in the items below. In the following, the instructor is also meant to be the tutor and the course at the bottom is also meant to be the corresponding lecture or main course. All answers are voluntary and the analysis of the results will be anonymised. The instructor will receive the answers promptly as a summarised report of all the results. The purpose of the evaluations is to point to any potential changes an instructor may wish to consider.

Please take note of the following:

- As the questionnaire will be computer-processed, please use a dark pen and mark your answers with a clear cross.
- If you make a mistake, black out the answer box entirely and cross the box you wish to mark:
