

Application for Admission to the PreProChem Programme

acc. to § 16 to the Doctoral Degree Regulations of the Faculties of Natural Sciences, Jan 21st 2026

Last Name: _____ First Name: _____

Address: _____
(Street, Number, ZIP, City)

Phone: _____ Email: _____

Nationality: _____ Date of Birth: _____ Place of Birth: _____

University Degree: _____ University: _____
(Degree + Field)

City, Date: _____ Signature: _____

Please submit the following documents to the Examination Office for Natural Sciences:

1. Certificate for a successfully completed Bachelor's Degree at JLU in Chemistry, Food Chemistry, Physics, Materials Sciences/Advanced Materials, or Biology.
2. In case of a different, equivalent degree: Proof that the degree was passed with a final grade of "very good" and is in the top 10 % of that final year's class.
3. Curriculum Vitae containing documents describing the path of education.
4. Indication of the topic in which the thesis is intended to be prepared.
5. Statement of whether a similar aptitude test at another university for a doctorate or a test for suitability for a program similar to PreProChem has been undergone.
6. Statement of a full-time professor at the Faculty 08 of Justus Liebig University Giessen that the scientific work of the PreProChem programme and, if applicable, the thesis can be prepared and supervised in her or his field of work.
7. Certificate of enrollment in the Chemistry Master's Degree Course at Justus Liebig University Giessen.
