### **Note: 10 ECTS in Sheffield do not equal 10 CP in Gießen!**

For your credit-transfer the workload in hours is crucial. In Sheffield most modules are worth 10 or 20 Sheffield credits. You can expect a 10-credit module to involve 100 hours of work and a 20-credit module to involve 200. Please check the Gießen module descriptions to compare the workload in hours.
