

How to find us

From the direction of Gießener Ring:

- Take the exit **Schiffenberger Tal/Universität**.
- From there, take **Schiffenberger Weg Richtung Zentrum** in the direction of the city centre.
- At the **3rd traffic light** turn right at **Burger King rechts** into **Rathenaustraße**.
- After approx. 400 m, turn left behind the JLU stele into **Otto-Behaghel-Straße** towards **Bibliothek/Mensa** (you can already see the white university buildings and parking spaces there).
- Choose the **second possible one-way street entrance** to a car park. In the car park, drive around the first row of parking spaces on the right. In the second row you will find the **parent-child parking spaces** reserved for you next to the red and white striped posts.
- Directly behind the posts, a **footpath** begins on the left that leads around the C 1 building in front of you.
- After the bend, walk directly towards building **F 2** (large, green-blue F on the building).

By bus:

- From Marktplatz, take **line 10** (towards Philosophikum), **line 801** (towards Pistorstraße) or **line 802** (towards Philosophikum). Get off at the "Philosophikum" stop. The building complex on the opposite side of the street is the Philosophikum I. From there, follow the footpath (past the university library, buildings B1 and B2 etc.) to building F.

On the university campus:

- Between buildings F1 and F2 is the entrance to the F building (Psychology and Sports Science).
