Note: Module THM 01 and THM 03 are offered in collaboration with the THM (Technische Hochschule Mittelhessen) by Professor Czermak and Professor Runkel. Therefore, students have to register via THM login-data on the electronic platform of the THM (Moodle), not via Stud.IP! Please note that the THM has distinct periods/deadlines!

If you plan to do modules from other study programmes as profile modules, please consider our Module Directory (Modulverzeichnis) in advance if this might be possible or not (if modules have limited capacities, own students are preferred).
