

## Core Module Plan Bachelor **Global Food Systems**

1. Sem. WS	<b>Introduction to Biochemistry</b> (BK-101-EN) 6 CP	<b>Biology</b> (BK102-EN) 6 CP	<b>Mathematics and Statistics</b> (BK-005-EN) 6 CP	<b>Language Acquisition I</b> (BK-103) 6 CP	<b>Introduction to Global Food Systems</b> (BK-112-EN) 6 CP
2. Sem. SS	<b>Language Acquisition II</b> (BK-104) 6 CP	<b>Ecology and Biodiversity</b> (BK-105-EN) 6 CP	<b>Agricultural Production and its Environmental Impacts</b> (BK-106-EN) 6 CP	<b>Policy and Food Systems</b> (BK-113-EN) 6 CP	<b>Human Nutritional Physiology</b> (BK-114-EN) 6 CP
3. Sem. WS	<b>Land Use Systems</b> (BK-107-EN) 6 CP	<b>Climate Science</b> (BK-108-EN) 6 CP	<b>Intercultural Communication</b> (BK-109-EN) 6 CP	<b>Food Production: Animals</b> (BK-115-EN) 6 CP	<b>International Food and Security</b> (BK-116-EN) 6 CP
4. Sem. SS	<b>Fundamentals of Life Cycle Assessment</b> (BK-110-EN) 6 CP	<b>Food Production: Plants</b> (BK-117-EN) 6 CP	<b>Sustainability of Food</b> (BK-118-EN) 6 CP	<b>Food Economics</b> (BK-119-EN) 6 CP	<b>Profile Module</b> 6 CP
5. Sem. WS	<b>Work Placement</b> or <b>Profile Module</b> 6 CP	<b>Work Placement</b> or <b>Profile Module</b> 6 CP	<b>Profile Module</b> 6 CP	<b>Profile Module</b> 6 CP	<b>Profile Module</b> 6 CP
6. Sem. SS	<b>Profile Module</b> 6 CP	<b>Profile Module</b> 6 CP	<b>Thesis Lab: Scientific Writing and Communication</b> (BK-111-EN) 6 CP	<b>Bachelor-Thesis</b>	

**BK** = Bachelor Core Module (mandatory); **BP** = Bachelor Profile Module (optional); **EN** = Module is taught completely in English; **WS** = winter semester; **SS** = summer semester

Please note: This module schedule is a recommendation of an ideal course of study schedule. The above shown sequence and distribution of the modules during the four semesters of the standard period of study is recommended but not obligatory. The study structure of the faculty 09 (FB 09) allows many individual modifications of the course of study schedule regarding the course and duration of the study program. Reasons for such an adaptation could be e.g. a job, family reasons, chronic illness, disability. Please contact the study coordinators in these matters ([studies@fb09.uni-giessen.de](mailto:studies@fb09.uni-giessen.de)). Profile modules may be chosen from the complete module catalogue of the faculty 09. Up to 30 CP of modules from other JLU Master's degree programmes can be included as profile modules, as well as 6 CP of AfK credits (e.g. language courses).

All module catalogues can be found at the website of faculty 09 >> [module directories](#)
