

International Staff Training Week at Justus Liebig University Giessen

Justus Liebig University Giessen invites its partners from International Offices around the world to JLU's annual International Staff Training Week. This week is organized and hosted by JLU's International Office and is embedded in the ERASMUS Staff Exchange Programme.

The meetings allow participants to exchange ideas about fostering student and staff mobility, to present their home universities, structures and working practices, and to explore and discuss topics of interest within the field of internationalisation.

This year's main focus will be on the implementation of Erasmus+ International Credit Mobility at the different universities. Enough time is allowed for individual meetings with colleagues of JLU's departments or other university facilities.

Please note: We aim at a maximum number of 20 participants and can only accept one, max. two representatives of each university – depending on demand!

Date: Our Staff Training takes place Monday to Friday, July 11-15.

Application deadline: applications are welcome until April 15.
Please register online:
<http://www.uni-giessen.de/st>. We will inform you about the status of your application by the end of May.

Accommodation and further information:
www.uni-giessen.de/st

Costs: Participation is free of charge. Participants bear the costs for individual expenses, travel and accommodation – most probably via the Erasmus Staff Exchange grant.
