Accommodation:	Our exchange students usually stay in one of our halls of residence. A room is guaranteed to all our exchange students for their entire period of stay if the application deadline is met. More information (e.g. prices for rooms) can be found on www.uni-giessen.de/acc . Housing contracts start either on the 1st or 16th day of each month. Alternatively, we publish offers for private rooms from outgoing students of JLU for incoming exchange students on www.uni-giessen.de/acc .

**Orientation Week for
International Students
(OWIS):**

During the orientation week for international students (OWIS) our mentors will give exchange students information on their studies in Giessen and inform them about all important dates which should not be missed. The orientation week usually starts one week before the start of lectures in the winter and summer semester.

The enrolment will take place online. Students will receive an email from the registrar's office with further information.

German Language Courses:

We offer evening classes in German (free of charge) during the semester. Before each winter semester, exchange students can attend our International Summer Course, before each summer semester our International Spring Course. Both courses include intensive German Language Courses, excursions, workshops, and much more.

For the International Summer Course exchange students pay a reduced fee and can gain 4 ECTS. For the International Spring Course exchange students pay a reduced fee and can gain 3 ECTS. Please register online. For registration and more information please see:

www.uni-giessen.de/international-pages/language-courses

Language Requirements:

There are no general language requirements for exchange students. Some departments require proof of certain English or German language skills. We strongly recommend German language skills of at least B1 level to be able to follow classes and to communicate in everyday life! Please ask our exchange/departmental coordinators (see above) for required German language skills in advance!

Average Living Expenses:

Expect approx. € 992,- per month plus a (re)registration fee of around € 290,- for our student ID card which includes the "semesterticket" (free public transport within Germany) and a contribution to the students' union in order to profit from cheaper prices in student restaurants, halls of residence, etc. The (re)registration fee has to be paid at the beginning of each semester (details are indicated in the letter of acceptance):
