April 1990 – October 1991: Assistant, Department of Economics, Technical University of Darmstadt

December 1989 – March 1990: Assistant, Department of Economics, University of Regensburg

Personal Data:

Citizenship: German

Born in 1963

Family: Married, two children

Education:

Habilitation, University of Vienna, October 2002.

University of Regensburg: Dr. rer. pol., 1995, Dissertation: Technological Progress and Monopolistic Competition

University of Regensburg: Diplom-Volkswirt, 1989

Awards:

OBAG dissertation prize

Hessian Award for Excellency in Teaching: Honorable Mention 2012 and 2013.

Presentations:

‘Relative market power: Pioneering concept or German exceptionalism?’ Talk (in German), Workshop of the Suisse Think Tank Avenir Suisse, Zurich, 10/2018.

‘Vertical restraints – An economist’s perspective.’ Panel statement at the European Competition Day of the Austrian EU presidency, Vienna, 09/2018.

‘Competition policy, market power and the income of the upper ten thousand – an anecdotal survey’ Talk (in German), Economic Policy Working Group of the German Economic Association, Witten, 03/2018.

‘Leapfrogging: Time of Entry and Firm Productivity.’ European Association for Research in Industrial Economics (EARIE), Maastricht, and German Economic Association (VfS), Vienna, 09/2017.

‘Exclusionary Practices in Two-Sided Markets: The Effect of Radius Clauses on Competition between Shopping Centers.’ Conference of the Southern Economic Association, New Orleans, USA, 11/2015 and BECCLE Competition Policy Conference, Bergen, Norway, 04/2016, Annual Meeting, German Economic Association (VfS), Augsburg, Germany, 09/2016.

‘Coexistence of Service- and Facility-Based Competition: The Relevance of Access Prices for “Make-or-Buy“-Decisions.’ International Telecommunications Society Regional Conference, Los Angeles, USA, 10/2015.

The Value of User-Specific Information for Two-Sided Matchmakers. Research Seminar, Department of Economics, University of Kentucky, Lexington, USA, 09/2015 and Research Seminar, Department of Economics, University of Linz, Austria, 04/2016

‘How Compliance Can Prevent Competition Law Violations and Enhance Corporate Performance. Report on Competition Law Compliance Research Project.’ High-level working group on competition law compliance, German Federal Ministry of Economic Affairs and Energy, Berlin, September 2014, and Federal Cartel Office, Bonn, September 2014.

‘Effective Regulation for the deployment of high-speed access networks in Europe’. FTTH Conference in Stockholm, 2014.

‘Do pay-as-bid auctions favor collusive behaviour? Evidence from the German Reserve Power Market’. European Association for Research in Industrial Economics (EARIE) in Evory, Portugal (2013).

‘Economic Aspects of the Digital Agenda’, 13th Salzburg Telecom-Forum of RTR GmbH, European Commission and Universität Salzburg. Salzburg, August 2012.

‘Competition, regulation, and investment in new communications infrastructure’. Keynote lecture, 23rd European Regional International Telecommunications Society Conference in Vienna, July 2012

‘Cost Shifting Incentives in Network Industries’. European Association for Research in Industrial Economics (EARIE) in Stockholm, September 2011.

‘Biased Quality Investment and Organisational Structures – An Application to the Railway Industry’. Congress of the European Economic Association in Oslo, August 2011, and Conference on Privatization and Liberalization in Stockholm, June 2011.

‘The Importance of Screening Devices for Antitrust Enforcement’, ZEW-Symposium Monopolkommission, Mannheim, May 2011, Economic methods in competition law enforcement conference, ZEW Mannheim, June 2011, and presentation at Studienvereinigung Kartellrecht (association of antitrust lawyers), Arbeitsgruppe Österreich, Vienna, April 2011.

‘Chain-store competition with endogenous entry: Localized vs. uniform pricing’. European Association for Research in Industrial Economics (EARIE) in Istanbul, 2010, and at the Economics seminars at Universities of Frankfurt, Marburg, Cologne and Duesseldorf.

‘Competition, Regulation, and Broadband Access to the Internet.’ ZEW-Conference The Economics of Information and Communication Technologies, Mannheim, 2008, Infraday, Berlin 2008, Annual Conference of the European Economic Association, Barcelona, 2009, NEREC-Conference, Madrid, 2009, Instituto Superior Técnico, Lissabon, 2009.

‘Regulation and Competition in Fixed-Line Telephony’. European Association for Research in Industrial Economics (EARIE) in Toulouse (2008).

‘Diffusion of new technology – The case of multiple generations’. European Association for Research in Industrial Economics (EARIE) in Valencia (2007), Annual Meeting (2007) of the German Economic Association in Munich, Meeting of the IO-Working Group of the German Economic Association in Berlin (2007), 2006 Congress of European Economic Association in Vienna, Annual Meeting (2006) of the Austria Economic Association, Workshop on Innovation in Kiel, 3rd Austrian Workshop on Empirical Industrial Organization in Vienna, and at the Seminars of the BusEcon Departments of University of Toronto and of the Department of Economics at SUNY Buffalo (2006).

‘Location, Technology, and Competitive Strategy’. Research seminars at the Universities of Würzburg (May 2004) and of Innsbruck (November 2004), European Association for Research in Industrial Economics in Porto, 2005 and at the Annual Meeting (2005) of the German Economic Association in Bonn.

‘Mergers and product variety under spatial competition: Evidence from retail gasoline’. Annual Conference of the German Economic Association (2003), Zürich, Switzerland.

‘Business Start-ups, R&D, and Welfare’. Conference of the European Association for Research in Industrial Economics in Helsinki, 2003.

‘Vertical foreign direct investment, welfare, and employment’. European Economic Association Annual Congress, Venice, 2002. Conference of the European Association for Research in Industrial Economics, Madrid, 2002.

‘Spatial Competition, Sequential Entry, and Technology Choice’. Research seminar at MERIT, University of Maastricht, Maastricht 2002

‘Non-existence of Cournot Equilibrium: The Importance of Entry, Market Size and Technology Choice’. Conference of the European Association for Research in Industrial Economics, Dublin, Ireland, 2001.

‘Vertical foreign direct investment, industry structure and welfare’. Annual Conference of the German Economic Association, Magdeburg, Germany, 2001.

‘Spatial Competition, Sequential Entry, and Technology Choice’. Conference of the European Association for Research in Industrial Economics, Lausanne, Switzerland, 2000

‘The German Telecommunications Market Two Years after Liberalization: An Assessment from the Consumers’ Point of View’. Regional conference of the International Telecommunication Society, Lausanne, Switzerland, 2000.

‘Technology choice and monopolistic competition’. Annual Conference of the Austrian Economic Association, Linz, Austria, 1999. Annual Conference of the German Economic Association, Mainz, Germany, 1999.

‘Sunk costs, windows of profit opportunities and the dynamics of entry’. European Economic Association Annual Congress, Berlin, Germany, 1998. Conference of the European Association for Research in Industrial Economics, Copenhagen, Denmark, 1998.

‘Strategic timing of adoption of new technologies under uncertainty’. Economic Theory Research Seminar of the Viennese Universities, 1997.

‘Monopolistic competition and the diffusion of new technology’. Econometric Society European Meeting Istanbul, Turkey, 1996. Conference of the European Association for Research in Industrial Economics, Vienna, Austria, 1996. METEOR-Conference, Maastricht, The Netherlands, 1996.

Teaching:

Undergraduate courses in Microeconomics, Macroeconomics, Competition Policy and Industrial Organization. Graduate courses in Economics of Research and Development, International Economics, Theory of International Trade, Industrial Organization, Product Differentiation, Economics of Network Industries with special focus on Telecommunications, Economics of Antitrust and Regulation. Interdisciplinary seminar on Pharmacoeconomics together with members from the medical and the law school of JLU.

Other activities:

Consulting: The effects of deregulation and privatization of the telecommunications sector on the consumers. Report for the Arbeiterkammer (Workers' Association), Vienna, 2000.

Consulting: Report for Telekom Austria on the determination of interconnection fees in Austria (joint with Gerhard Clemenz), Vienna, 2002.

Consulting: Report on the economic impact of a merger of Österreichischen Bundesbahnen and Postbus AG (joint with G. Clemenz, T. Duso, B. Yurtoglu and C. Zulehner), Vienna, July 2003.

Consulting: Court appointed expert (Higher regional court Duesseldorf) in case of the German business insurance cartel for the calculation of overcharges, 2009.

Consulting: Economic advisor in the Hutchinson/Orange/Telekom Austria merger transaction (2012)

Consulting: Expert Report for Deutsche Post DHL in Federal Cartel Office case of abuse of dominance (2014)

Consulting: Expert report for Janssen and Cilag on the Cost-effectiveness of Interferon-free therapy for Hepatitis C in Germany (2014)

Consulting: Economic expert in cartel damage cases: Austrian elevator cartel on behalf of a defendant (since 2009), European trucks cartel on behalf of a plaintiff.

Economic expert in several other antitrust cases and regulatory proceedings.

'Barriers to cross-border entry into retail energy markets'. Expert study for ACER, the EU Agency for the Cooperation of Energy Regulators, joint with Samuel de Haas, and various consulting firms, 2014.

Member of the programme committee of the Annual Conference 2002 of the Austrian Economic Association, of EARIE 2004, of the Annual Conference of the German Economic Association, 2004, and of the European Regional Conferences of the International Telecommunications Society 2011, 2012, 2013, 2015 and 2017.

Membership of Professional Organizations

American Economic Association, European Economic Association, German Economic Association, International Telecommunications Society, European Association of Research in Industrial Economics, Research Fellow of ENCORE, Austrian Economic Association, Member of the Working Group on Competition Law at the German Federal Cartel Office, Member of the Academic Advisory Council of the FIW research institute.

Editorships

Review of Network Economics, since March 2016
