WEBINAR COACHINGS FOR YOUNG ENTREPRENEURS IN SCIENCE

Discover your entrepreneurial potential! Join our brand-new webinar programme and find answers to the question: **How much startup is in your PhD?** Attend one or more of our two-hour online workshops together with 20 other participants, who are PhDs and Postdocs with innovative ideas – just like you!

MODULE 1: FROM PHD TO SCIENCEPRENEUR

Explore your entrepreneurial strengths and meet our role models, who share the challenges and opportunities of becoming an entrepreneur or intrapreneur.

MODULE 2: YOUR ONLINE PITCH

Practice your online pitch with the help of our coaches to convince recruiters or investors of your vision and your personality in front of the webcam.

MODULE 3: PROTOTYPE YOUR PHD

Practice Design Thinking and discover the potential of your own research to yield a product by building your first prototype.
