(Prof. from JLU Faculties 07/08)

Admission application for PhD (required documents)

Surname: _____ First name: _____

University degree: _____ from Univ: _____
(Degree + field)

I herewith apply for admission as a doctoral candidate acc. to § 10 of the PhD regulations dated 21.01.2016 and enclose the following documents:

1. Curriculum vitae
2. Certificates according to §§ 9,10 and 16 b in officially certified form (not originals, but officially certified copies and, if applicable, certified German translations);
3. Declarations and certificates regarding other academic and state examinations which the applicant has either passed or failed.
4. Declarations regarding any applications for admission as a doctoral candidate to other universities and the result of any such application;
5. For foreign applicants: confirmation of adequate knowledge of the German or English language by the proposed first supervisor, if no university degree has been obtained in the Federal Republic of Germany;
6. Scientific papers published by the applicant;
7. Working title and provisional work schedule for the thesis – whereby the subject matter should be conceived so as to allow completion within a period of three years as a general rule (+ *brief work schedule*);
(signed by supervisor and candidate)
8. Proposed first thesis supervisor;
Supervisor name: _____
9. Written statement and declaration of consent by proposed first supervisor;
10. Declaration that the candidate has received/read the „Statutes of the Justus-Liebig-University Giessen for ensuring good scientific practice“ and shall apply these principles to their work;
(see under: www.uni-giessen.de/cms/forschung/sicherung)
Signature of candidate: _____
11. Supervisor Agreement:
A mutually binding supervisor agreement may be concluded between doctoral candidate and supervisor (e.g. as laid down in DFG Form 1.90 – 7/08, Attachment 3), this agreement is also to be submitted.
12. **For PhD in Faculty 06 and Faculty 09:** Confirmation of both supervisors acc. to § 11 para. 2 and § 1 para. 2 that the thesis will be of scientific content
