

International Networking Week at Justus Liebig University Giessen

Justus Liebig University Giessen invites its partners from International Offices around the world to JLU's annual International Networking Week. This week is organised and hosted by JLU's International Office and is embedded in the Erasmus+ Staff Exchange Programme.

The meetings allow participants to exchange ideas about fostering student and staff mobility, to present their home universities, structures and working practices, and to explore and discuss topics of interest within the field of internationalisation.

This year's main focus will be on the internationalisation of administrative staff. Enough time is allowed for individual meetings with colleagues of JLU's departments or other university facilities.

Date: Our Networking Week takes place Monday to Friday, June 17 -21.

Further information: www.uni-giessen.de/st

Costs: Participation is generally free of charge except for the excursion on Thursday. Participants bear the costs for individual expenses, travel and accommodation – most probably via the Erasmus Staff Exchange grant.
