Selected Summer Schools & Summer Universities:

- The International University Summer Course at Justus Liebig University has an established reputation as the ideal launching-pad for entry into courses of study at Giessen. The programme covers intensive courses for learning or brushing-up your German, along with stimulating workshops and excursions. Find out more on: www.uni-giessen.de/hsk
- The International Spring Course at Justus Liebig University complements the International Summer Course and takes place in March/April each year. Find out more on: www.uni-giessen.de/sc
- Giessen University's International Summer University offers an interdisciplinary and practically oriented programme of study focussing on topics related to law, business and biotechnology. It includes special seminars and German language courses (all offering ECTS certification) as well as a range of cultural excursions and activities. Find out more on: www.uni-giessen.de/isu
- The US-German Summer Session in International and Comparative Law brings together students from all over the world to study comparative and international law for a one-month session in July and August.

The programme is organized jointly by Marquette University, the University of Wisconsin, and the University of Giessen at JLU Giessen's campus. Find out more on: <http://www.uni-giessen.de/summerlaw>
