Please note that only the German version of the modules is official and legally binding. The English version is for informative purposes only.

Examination	Module-component examinations	<p>Regular attendance of courses</p> <p><u>Without term paper (6 CP):</u> Each module component requires a modular exam in the form of a written exam of 90 minutes, an essay, a report, a poster or presentation. The form of examination is the discretion of the teacher and will be announced at the beginning of the lecture.</p> <p><u>With term paper (9 CP):</u> I. One of the two module components requires a modular exam in the form of a written exam, an essay, a report, a poster or presentation. The form of examination is the discretion of the teacher and will be announced at the beginning of the lecture. II. The other module component requires a scientific term paper totalling 12-18 pages.</p> <p><u>With extended term paper (10 CP):</u> (Relevant only for BA 1<sup>st</sup> minor subject!): I. One of the module components requires a modular exam in the form of a written exam of 90 minutes, an essay, a report, a poster or presentation. The form of examination is the discretion of the teacher and will be announced at the beginning of the lecture. II. II. The other module component requires a scientific term paper totalling 18 - 24 pages.</p> <p><u>Module component retake examination:</u> This examination refers to the failed module component examination(s). In the case of a failed essay, a failed term paper or a deficient report, these may be thoroughly revised within two weeks. A failed written examination may be retaken in the form of a written retake exam (90 min.) or oral exam (20 min.). The form of examination is the discretion of the teacher and will be announced at the beginning of the lecture. An unsatisfactory presentation can be compensated by an improved written report within two weeks.</p> <p><u>Module retake examination:</u> Either one 30-minute oral examination covering the entire module content or a 120-minute written examination. The form of examination is the discretion of the module coordinator and will be announced at the beginning of the lecture.</p>
	Final module mark	<p>Without term paper: Equal share of the mark for both module components</p> <p>With term paper: 30 % mark of I. and 70 % mark of II.</p>
	<b>Credit points</b>	<p>Without term paper: 6</p> <p>Term paper: 9</p> <p>Extended term paper: 10</p>
	Frequency, duration in semesters	Can be studied in two semesters; one semester
