

Dear Friday Morning Seminar Community,

This is a reminder of the upcoming seminar this Friday May 22, which is dedicated to a closer look at the impact and experience of **COVID19 in Italy, Brazil, and Native populations in North and South America**.

We will be joined by another great international panel including:

- **Maria de Lourdes Alcantara, PhD**, Professor at Medical Faculty at University of Sao Paulo-FMUSP; Head of Support Group for Indigenous Youth; Consultant at IWGIA International Work Group for Indigenous Affairs, UNICEF, and the Permanent Forum for Indigenous Issues-UN
- **Michael M. J. Fischer, PhD**, Andrew W. Mellon Professor in the Humanities and Professor of Anthropology and Science and Technology Studies at the Massachusetts Institute of Technology; Lecturer in the Department of Global Health and Social Medicine, Harvard Medical School.
- **Joseph P. Gone, PhD**, Professor of Anthropology, Harvard University; Professor of Global Health and Social Medicine, Harvard Medical School; Faculty Director, Harvard University Native American Program; President Elect, Society of Indian Psychologists.
- **Virginia Moreira, PhD**, Professor of Anthropology, Universidade de Fortaleza, Brasil.
- **Mariella Pandolfi, PhD**, Professor emeritus of anthropology at the University of Montreal; Co-chair and founder of the GRIMH research group on military and humanitarian interventions; Psychoanalyst.

The seminars will meet online, at the regular time from **10am to 12pm ET**. You can join the session through Zoom videoconferencing or by phone.
