

Guides to understanding the Inter-American Human Rights System and international litigation techniques.

The Kolloquium offers an overview of the Inter-American Human Rights System. We will continue with the techniques of international litigation and then conclude by analysing the leading cases of enforced disappearance and women's rights.

Modality: Online

Course type: Fremdsprachenschein

Language: English

Schedule: Thur 25/08 - Frid 26/08 9.00HS - 13.00HS
