

# Weaving Knowledge Event Series: Emerging Sustainable Worldviews on Food and Agriculture

12.01.2022, 4:30–6:30 pm, GCSC, 2<sup>nd</sup> floor Loggia

Film screening of *Imagining Research for Food Sovereignty* (dir. by Maja Tillman & Rodrigo Otero Heraud) followed by a round table conversation with Peter Volz, member of the research association “Die Agronauten” and participant in the film. Dr. Philipp Weckenbrock, Chair of Organic Agriculture, JLU and Dr. Stefan Wahlen, Chair of Food Sociology, JLU will offer their comments.

The documentary follows farmers from different parts of the world as they gather in the Black Forest, Germany to discuss their ideas on food sovereignty. After the screening, the audience will have the opportunity to engage in a discussion with Peter Volz to reflect on the question of how activism and academia can contest modern worldviews on food and agriculture?

International Graduate Centre  
for the Study of Culture

Organized by the Emerging Topic Research Group “Migration & Decoloniality” together with Research Area 9 “Ecology and the Study of Culture” and Research Area 5 “Media and Multiliteracy Studies”
