- Students will not be admitted to the examination in case of self-inflicted missing of the application deadline.
- After registration, students are obliged to take the first (regular) exams. Consequently, **students do not have a choice regarding the regular and retake examination dates.**

For questions as to registration in FlexNow, please contact the examination office at faculty 09.

Permitted material during examinations:

- You must bring your own pens and writing paper
- You are allowed to use a dictionary (bilingual, not subject-specific)
- You are allowed to use a collection of treaties (e.g. Blackstone's International Law Documents)
- The use of any other materials is prohibited and will be considered fraud

Covid-related requirements:

- Please note that students can only attend examinations if they can provide the EU Digital COVID-19 Vaccine Passport/Certificate (i.e. proof of full vaccination protection or proof of recovery from an infection with COVID-19, both digitally ("**3G**"-regulation)), a valid test certificate (digitally or as printout) or the JLU lecture hall pass.
- Vaccinated and recovered students possessing the EU Digital COVID-19 Vaccine Passport/Certificate - either in the **CoronaWarn app** or in the **CovPass app** can show their certificate together with an official photo ID when entering the teaching rooms. Other apps cannot be used.

Please be present already **15 minutes before the start of each exam** as we need to check the 3G requirements.
