APPLY VIA UNI-ASSIST

It does not matter which of these cases apply to you, you **always apply to your desired course of study via uni-assist first** and, if needed, tick the box for study preparatory language courses with “yes”. You do not apply for the “Studienkolleg” (academic qualifying course) directly – uni-assist will identify the need for a “Studienkolleg” based on your application to your desired course of study. You will then have to pass an entrance exam.

More information about the application and admission procedure for international students as well as the application deadlines can be found on our website: www.uni-giessen.de/international-pages/study/application.
